The Office of Superintendent of Public Instruction (OSPI), Child Nutrition Services (CNS), is pleased to release the 2017 Summer Food Service Program (SFSP) application for new sponsors.

The SFSP provides reimbursement for meals and snacks served to children during the summer months. For general information about the SFSP visit the web page <http://www.k12.wa.us/ChildNutrition/programs/SummerPrograms/.aspx>.

SPONSORING ORGANIZATIONS

The following types of organizations may sponsor a SFSP:

- Public or private nonprofit schools
- Educational service districts
- Units of local, municipal, county, or state governments
- Tribal Organizations
- Public or private nonprofit residential or nonresidential summer camps
- Public or private nonprofit colleges or universities sponsoring the Upward Bound Program
- Private nonprofit organizations

THE APPLICATION PROCESS

The SFSP application process for new sponsors includes the following:

1. New sponsors are **required** to attend in-person training in order to participate in the program. The information provided will assist in administering and operating the SFSP. Training registration and information can be found on the SFSP training web page at <http://www.k12.wa.us/ChildNutrition/programs/SummerPrograms/SimplifiedSummerFoodTraining.aspx>.
2. New sponsors must complete a two-part application. The *Summer Food Service Program Application Information for New Sponsors (Attachment 1)*, provides descriptions about program information you will need to complete the application process.

Part One:

Complete the online application in the Washington Integrated Nutrition System (WINS). WINS is an online system used to collect application information and to process claims for reimbursement. Organizations not participating in another Child Nutrition Program must designate a "WINS Sponsor Administrator" by signing and submitting the *Access Rights/User Authorization (Attachment 2)*. Once the authorization is processed, an email from no_reply.WINS@k12.wa.us will be sent to the system administrator with a user name and link to the WINS sign-on web page.

Organizations already participating in a Child Nutrition Program such as the National School Lunch Program (NSLP) or Child and Adult Care Food Program (CACFP), need to contact their WINS system administrator to gain access to SFSP in WINS.

Detailed resources and training videos on how to navigate in WINS are available at <http://www.k12.wa.us/ChildNutrition/WINS.aspx>.

Part Two:

Complete application forms and documents. There are two different sponsor checklists to guide you. Please choose the one appropriate for your organization:

- *Summer Food Service Program Checklist for New Sponsors (Attachment 3a)* is for organizations not participating in any other Child Nutrition Program.
- *Summer Food Service Program Checklist for New Sponsors (Attachment 3b)* is for organizations already participating in a Child Nutrition Program, such as the NSLP or CACFP.

3. New sponsors will receive a preapproval visit by CNS staff. A program specialist will arrange for the preapproval visit once the application is complete.

APPLICATION DUE DATE

Meals served prior to application approval cannot be claimed for reimbursement. To ensure sufficient application processing time, the application due date is based on the first day of program operations:

The first day of program operation is:	The application due date is:
