2. PURPOSE OF REQUEST FOR PROPOSALS

The Washington State Office of the Superintendent of Public Instruction (OSPI) is soliciting proposals to provide a coordinated system of Program Quality Improvement and Capacity Building for the Washington State 21st Century Community Learning Centers (21st CCLC) program. The goal of the project is to assist OSPI with implementing and sustaining high quality out-of-school time expanded learning centers. Deliverables in this solicitation ensure that on an annual basis, existing grantees will have the opportunity to:

- 1) Participate in the David P Weikart Youth Program Quality Intervention (YPQI) Cycle of Assess-Plan-Improve, using the designated assessments, trainings, materials, and instructional supports that are included in the YPQI, and currently used by the 21st CCLC program in WA.
- 2) Receive targeted training and technical assistance opportunities for building staff capacity at the center and program level to support effective instructional strategies, dissemination of promising practices, and coordination of professional development for staff in content areas and youth development in alignment with the WA state learning standards, and WA state quality standards for afterschool and youth development programs.
- 3) Network with other 21st CCLC programs to improve program and professional practice.

3. BACKGROUND

OSPI is the primary agency charged with overseeing K-12 public education in Washington State. Led by State School Superintendent Chris Reykdal, OSPI works with the State's two hundred and ninety-five (295) school districts to administer basic education programs and implement education reform on behalf of more than one million public school students. OSPI is housed in the Old Capitol Building in Olympia.

The 21st Century Community Learning Centers (21st CCLC) program is authorized by Public Law 107-110, Elementary and Secondary Education Act (ESEA), as amended by the No Child Left Behind (NCLB) Act of 2001, and as amended by the Every Student Succeeds Act (ESSA) of 2016, Title IV, Part B. The purpose of the 21st CCLC program is to support the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children in grades PreK –12 grades, particularly students who attend high-poverty and low-performing schools. The program helps students meet challenging state learning standards, offers students a broad array of enrichment activities that align with their regular academic programs; and offers literacy and other educational services to the families of participating children. The statutory goal of the 21st CCLC program is to provide funds to eligible entities to enable them to establish or expand activities in community learning centers that:

- 1) provide opportunities for academic enrichment, including providing tutorial services to help students, particularly students who attend low-performing schools, to meet the challenging state academic standards
- 2) offer students a broad array of additional services, programs, and activities, such as youth development activities, service learning, nutrition and health education, drug and violence prevention programs, counseling programs, arts, music, physical fitness and wellness programs, technology education programs, financial literacy programs, environmental literacy programs, mathematics, science, career and technical programs, internship or apprenticeship programs, and other ties to an in-demand

- industry sector or occupation for high school students that are designed to reinforce and complement the regular academic program of participating students; and
- 3) offer families of students served by community learning centers opportunities for active and meaningful engagement in their children's education, including opportunities for literacy and related educational development.

OSPI is currently funding fifty-one (51) grantees, including one hundred thirty-three (133) sites with five (5) funding cycles, each awarded for five (5) years. Eligible entities are Local Education Agencies (LEAs), community-based organizations, other public or private entities, and consortia of two (2) or more of such agencies, organizations, or entities. Grants are awarded through OSPI's competitive iGrant application process. The federal statute requires OSPI to provide ongoing training, technical assistance and capacity building for grantees to ensure the provision of high quality programs and services that are aligned with student needs, challenging state standards, and regular school day curriculum and instruction, and support positive student outcomes

It is the intent of OSPI that all programs will implement strategies that support OSPI's Performance Indicators, the Superintendent's priorities, and the objectives for all 21st CCLC Programs. The 21st CCLC programs seek to serve eligible students who need assistance in meeting challenging state standards. The assistance provided takes the form of academic support and enrichment opportunities and/or activities outside regular school hours designed to complement the student's regular school day to improve academic performance, attendance, behavior, grade promotion and graduation rates.

According to the 21st CCLC Program Evaluation in WA, conducted by the American Institutes for Research, students who attended high quality 21st CCLC programs regularly had higher standardized test scores, fewer disciplinary incidents and school day absences, and greatly increased the likelihood of grade promotion. To ensure continued and future positive outcomes, a continued focus on Program Quality Improvement and Capacity Building for staff is necessary to meet the intent of the program.

- The Solicitation evaluation or scoring process is unfair or flawed; or
- The Solicitation requirements are inadequate or insufficient to prepare a proposal.

Consultants may submit complaints up to five (5) business days prior to the proposal due date noted in the Estimated Schedule of Procurement Activities. The envelope should be clearly marked to the attention of the RFP Coordinator, who is OSPI's sole point of contact for this procurement.

Consultants mailing proposals should allow normal mail delivery time to ensure timely receipt of their proposals by the RFP Coordinator. Consultants who are hand delivering their proposal should allow time for traffic congestion. Consultants assume the risk for the method of delivery chosen. OSPI assumes no responsibility for delays caused by any delivery service.

Late proposals will not be accepted and will be automatically disqualified from further consideration. The proposals must respond to the procurement requirements. Do not respond

by referring to material presented elsewhere. The proposal must be complete and must stand on its own merits.

Failure to respond to any portion of the procurement document may result in rejection of the proposal as non-responsive. All proposals and any accompanying documentation become the property of OSPI and will not be returned.

In the event it becomes necessary to revise any part of this RFP, an addendum or an amendment will be published on the [OSPI website](#). For this purpose, the published Consultant questions and Agency answers, and any other pertinent information, shall be considered an addendum to the RFP. Additionally, all addenda referred to above will be released on WEBS under the commodity code(s) listed on the cover page of this RFP. It will be the responsibility of interested Consultants to check the website periodically for addenda and amendments to the RFP.

7. SMALL BUSINESS, MINORITY & WOMEN'S BUSINESS ENTERPRISES (MWBE), AND VETERAN-OWNED BUSINESS PARTICIPATION

In accordance with the legislative findings and policies set forth in chapter [39.19 RCW](#), the State of Washington encourages participation in all of its contracts by firms certified by the Office of Minority and Women's Business Enterprises (OMWBE). Participation may be either on a direct

basis in response to this RFP or on a subcontractor basis. For more information on certification, contact the [Washington Office of Minority and Women's Business Enterprises](#).

43.60A.200 encourages the participation of Veteran and Service Member Owned Businesses certified by the Washington State Department of Veterans Affairs RCW [43.60A.195](#). For more information on certification, contact [Washington State Department of Veteran Affairs](#).

Additionally, per Department of Enterprise policy, agencies are encouraged to buy from in-state small business, including microbusinesses and minibusinesses.

However, no preference will be included in the evaluation of proposals, no minimum level of MWBE participation shall be required as a condition for receiving an award, and proposals will not be rejected or considered non-responsive on that basis. Any affirmative action requirements set forth in federal regulations or statutes included or referenced in the contract documents will apply.

Self-Certification should be submitted with the Contractor Intake Form (Exhibit D).

8. ACCEPTANCE PERIOD

Proposals must provide sixty (60) days for acceptance by OSPI from the due date for receipt of proposals.

9. RESPONSIVENESS

All proposals will be reviewed by the RFP Coordinator to determine compliance with administrative and minimum requirements and instructions specified in this RFP. OSPI may reject a Proposal as nonresponsive at any time for any of the following reasons:

- Incomplete Response
- Submission of a Response that proposes services that deviate from the scope and technical requirements set forth in this document and Exhibit B, Sample Contract, except as permitted in an amendment to this Solicitation
- Failure to meet the minimum Bidder qualifications or to comply with any requirement set forth in this RFP, including Attachments
- Submission of incorrect, misleading or false information
- History of prior unsatisfactory contractual performance

The RFP Coordinator may contact any Bidder for clarification of the proposal. If a proposal is deemed non-responsive, it shall be removed from further consideration. Bidders whose proposals are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing. Within three (3) business days following such notification, Bidder may request a Debriefing Conference that shall be limited to the reasons Bidder was found to be non-responsive. Refer to Debriefing of Unsuccessful Proposers procedure in Section D.

If a proposal meets all administrative and Bidder qualification requirements and submittal instructions, OSPI shall continue with the written evaluation and, if applicable, the oral evaluation.

OSPI reserves the right at its sole discretion to waive minor administrative irregularities.

10. MOST FAVORABLE TERMS

OSPI reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Bidder can propose. There will be no best and final offer procedure. OSPI does reserve the right to contact a Bidder for clarification of its proposal.

The Bidder should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. Contract negotiations may incorporate some or all of the Bidder's proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to OSPI.

11. CONTRACT AND GENERAL TERMS & CONDITIONS

The Apparent Successful Bidder will be expected to enter into a contract which is substantially the same as the sample contract and its General Terms and Conditions. In no event is a Bidder to submit its own standard contract terms and conditions in response to this RFP. The Bidder may submit exceptions as allowed in the Certifications and Assurances section. OSPI will review requested exceptions and accept or reject the same at its sole discretion.

Should contract negotiations fail to be completed within two (2) weeks after initiation, the Agency may immediately cease contract negotiations, declare the Bidder with the second highest score as the new Apparent Successful Bidder, and enter into contract negotiations with that Vendor. This process will continue until the Contracts are signed or no qualified Bidders remain.

12. COSTS TO PROPOSE

OSPI will not be liable for any costs incurred by the Consultant in preparation of a proposal submitted in response to this RFP, in conduct of a presentation, or any other activities related to responding to this RFP.

13. NO OBLIGATION TO CONTRACT

This RFP does not obligate the State of Washington or OSPI to contract for services specified herein. OSPI also reserves the right to cancel or to reissue the RFP in whole or in part, prior to execution of a contract without penalty.

14. REJECTION OF PROPOSALS

OSPI reserves the right at its sole discretion to reject any and all proposals received without penalty and not to issue a contract as a result of this RFP.

15. COMMITMENT OF FUNDS

Only an authorized representative of OSPI may legally commit OSPI to the expenditures of funds for a contract resulting from this RFP. No cost chargeable to the proposed contract may be incurred before receipt of a fully executed contract.

16. STATEWIDE VENDOR PAYMENT REGISTRATION

Consultants awarded contracts as a result of this RFP will be required to register as a Statewide Vendor (SWV). The SWV file is a central vendor file maintained by the Office of Financial Management for use by Washington State agencies in processing vendor payments. This allows you, as a vendor, to receive payments from all participating state agencies by direct deposit, the State's preferred method of payment. Effective April 30, 2011, all OSPI Contractors are required to register as a Statewide Vendor. Participation in direct deposit is optional. For online registration, visit the [Department of Enterprise Services' website](#).

17. INSURANCE COVERAGE

The Apparent Successful Bidder must comply with the insurance requirements identified in the General Terms and Conditions.

The Contractor shall, at its own expense, obtain and keep in force insurance coverage which shall be maintained in full force and effect during the term of the Contract. The Contractor shall furnish evidence in the form of a Certificate of Insurance that insurance shall be provided, and a copy shall be forwarded to OSPI within fifteen (15) days of the contract effective date.

Section C. PROPOSAL CONTENTS

Proposals must be submitted on eight and one-half by eleven (8 ½ x 11) inch paper size with tabs separating the major sections of the proposal. The Letter of Submittal, excluding the signed Certifications and Assurances shall be a maximum of one (1) page. The four (4) major sections of the proposal are to be submitted in the order noted below:

1. Letter of Submittal including signed:
 - a. Certifications and Assurances; and
 - b. Contractor Intake Form
2. Technical Proposal
3. Management Proposal
4. Cost Proposal

Proposals must provide information in the same order as presented in this document with the same headings. This will not only be helpful to the evaluators of the proposal, but should assist the Consultant in preparing a thorough response.

Items in this section marked “mandatory” must be included as part of the proposal for the proposal to be considered responsive; however, these items are not scored. Items marked “scored” are those that are awarded points as part of the evaluation conducted by the evaluation team.

1. LETTER OF SUBMITTAL (MANDATORY)

The Letter of Submittal, the attached Certifications and Assurances, and the attached Contractor Intake Form must be signed and dated by a person authorized to legally bind the Consultant to a contractual relationship, (e.g., the President or Executive Director if a corporation, the managing partner if a partnership, or the proprietor if a sole proprietorship).

Along with introductory remarks, please attach to the Letter of Submittal the following information about the Consultant and any proposed subcontractors:

1. Name, address, and telephone number of each principal officer (President, Vice President, Treasurer, Chairperson of the Board of Directors, etc.);
2. Location of the facility from which the Consultant would operate; and
3. A detailed list of all materials and enclosures included in the Proposal.

2. TECHNICAL PROPOSAL (SCORED)

The Technical Proposal must contain a comprehensive description of services including the following elements:

A. Project Approach/Methodology – Include a complete description of the Consultant’s proposed approach and methodology for the project. This section should convey Consultant’s understanding of the proposed project.

B. Work Plan – Include all project requirements and the proposed tasks, services, activities, etc., necessary to accomplish the scope of the project defined in this RFP. This section of the Technical Proposal must contain sufficient detail to convey to

members of the evaluation team the Consultant's knowledge of the subjects and skills necessary to successfully complete the project. Include any required involvement of OSPI staff. The Consultant may also present any creative approaches that might be appropriate and may provide any pertinent supporting documentation.

C. Project Schedule – Include a project schedule indicating when the elements of the work will be completed and when deliverables, if any, will be provided.

D. Deliverables – Fully describe deliverables to be submitted under the proposed contract.

E. Outcomes and Performance Measurement – Describe the impacts/outcomes the Consultant proposes to achieve as a result of the delivery of these services including how these outcomes would be monitored, measured, and reported to the state agency.

Please Note: Mere repetition of the work statement in Section 1 will not be considered responsive.

F. Risks – Define risks you identify as being significant to the success of the project. Include how you would propose to effectively monitor and manage these risks, including reporting of risks to the Agency's contract manager.

3. MANAGEMENT PROPOSAL

A. Project Management (SCORED)

1. **Project Team Structure/Internal Controls** – Provide a description of the proposed project team structure and internal controls to be used during the course of the project, including any subcontractors. Provide an organizational chart of your firm indicating lines of authority for personnel involved in performance of this potential contract and relationships of this staff to other programs or functions of the firm. This chart must also show lines of authority to the next senior level of management. Include who within the firm will have prime responsibility and final authority for the work.

2. **Staff Qualifications/Experience** – Identify staff, including subcontractors, who will be assigned to the potential contract, indicating the responsibilities and qualifications of such personnel, and include the amount of time each will be assigned to the project. Provide résumés for the named staff, which include information on the individual's particular skills related to this project, education, experience, significant accomplishments and any other pertinent information. The Consultant must commit that staff identified in its proposal will actually perform the assigned work. Any staff substitution must have the prior approval of OSPI.

B. Experience of the Consultant (SCORED)

1. Include other relevant experience that indicates the qualifications of the Consultant, and any subcontractors, for the performance of the potential contract.

2. Include a list of contracts the Consultant has had during the last five (5) years that relate to the Consultant's ability to perform the services needed under this RFP. List

contract reference numbers, contract period of performance, contact persons, telephone numbers, and fax numbers/e-mail addresses.

C. References (SCORED)

List names, addresses, telephone numbers, and fax numbers/email addresses of three (3) business references for whom work has been accomplished and briefly describe the type of service provided for them. By submitting a proposal in response to this RFP, the Consultant and team members grant permission to OSPI to contact these references and others who, from OSPI's perspective, may have pertinent information. OSPI may or may not, at OSPI's discretion, contact these references or others. Do not include current OSPI staff as references.

D. Past Performance

Provide information regarding past performance by indicating if the Consultant has received notification of contract breach in the past five (5) years. This does not lead to automatic disqualification. However, OSPI reserves the right to disqualify Consultant proposals based on the Consultant's historical performance, as outlined above in Section B. General Information for Consultants, 11. Responsiveness.

4. COST PROPOSAL

The evaluation process is designed to award this procurement not necessarily to the Consultant of least cost, but rather to the Consultant whose proposal best meets the requirements of this RFP. However, Consultants are encouraged to submit proposals that are consistent with state government efforts to conserve state resources.

Identification of Costs (SCORED) – Identify all costs including expenses to be charged for performing the services necessary to accomplish the objectives of the Contract. The Consultant is to submit a fully detailed budget including staff costs, administrative costs, travel costs, and any other expenses necessary to accomplish the tasks and to produce the deliverables under the Contract. Consultants are required to collect and pay Washington State sales tax, if applicable.

Travel Costs: If the Consultant's proposal includes any travel-related expenses as a line item, they are to be broken out separately. Any applicable mileage, meals, lodging, or other travel-related expenses, will be reimbursed in accordance with [Washington State travel regulations](#) established by the Office of Financial Management.

Subcontractor Costs: Costs for subcontractors are to be broken out separately. Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

Per OSPI's indirect costs policy, the maximum amount that may be charged or included in grants and contracts is the following:

Entity	State Grants and Contracts	Federal Grants and Contracts
School Districts	State recovery rate	Federal indirect rates, per OSPI's agreement with the U.S. Department of Education
Educational Service Districts	Per annual letter of agreement by K-12 Financial Resources Division	Per annual letter of agreement by K-12 Financial Resources Division
All other entities (including higher education, non-profits, independent consultants, etc.)	10%	10%

Section D. EVALUATION AND CONTRACT AWARD

1. EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this RFP and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by OSPI, which will determine the ranking of the proposals.

2. EVALUATION WEIGHTING AND SCORING

The following points will be assigned to the proposals for evaluation purposes:

Technical Proposal		70 points
Project Approach/Methodology	20 points (maximum)	
Quality of Work Plan	30 points (maximum)	
Project Schedule	10 points (maximum)	
Project Deliverables	10 points (maximum)	
Management Proposal		60 points
Project Team Structure/Internal Controls	20 points (maximum)	
Staff Qualifications/Experience	15 points (maximum)	
Experience of the Consultant	25 points (maximum)	
Cost Proposal		70 points
Subtotal		200 points
Oral Presentation (if determined necessary by OSPI)		10 points
Reference Checks (if determined necessary by OSPI)		<i>Pass/Fail</i>
GRAND TOTAL FOR PROPOSAL		210 points

References may be contacted for the top-scoring Bidder(s) only and will then be scored and added to the total score.

3. ORAL PRESENTATIONS

After bids are received and written evaluations are completed, OSPI, at its sole discretion, may request that one or more Responsible and Responsive Bidders participate in an oral interview and/or presentation or demonstration. Should OSPI elect to hold oral presentations, it will contact the top-scoring firm(s) to schedule a date, time, and location. Commitments made by the Bidder at the oral interview, if any, will be considered binding.

The scores from the written evaluation and the oral presentation combined together will determine the Apparent Successful Bidder.

4. SELECTION OF APPARENT SUCCESSFUL BIDDER

The Consultant submitting the Bid most advantageous to the State will be declared the Apparent Successful Bidder (ASB). The date of announcement of the ASB will be the date the announcement letter is postmarked or, if emailed, the date the email is sent. The State will enter into contract negotiations with the ASB. Should contract negotiations fail to be completed within two (2) weeks after initiation, the State may immediately cease contract negotiations, declare the Vendor with the second highest score as the new ASB, and enter into contract negotiations with that Vendor. This process will continue until the Contracts are signed or no qualified Vendors remain.

5. NOTIFICATION TO BIDDERS

Proposals that have not been selected for further negotiation or award will be notified via email by the RFP Coordinator.

6. DEBRIEFING OF UNSUCCESSFUL BIDDERS

Upon request, an individual debriefing conference will be scheduled with an unsuccessful Bidder. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Notification of Unsuccessful Bidder letter or e-mail is sent to the Consultant. The debriefing must be held within three (3) business days of the request, unless otherwise agreed upon by the RFP Coordinator and Bidder.

Discussion will be limited to a critique of the requesting Consultant's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of 30 minutes-1 hour.

Please note, because the debrief process must occur before making an award, OSPI likely will schedule the Debrief Conference shortly after the announcement of the ASB and the Bidder's request for a Debrief Conference. OSPI will not allow the debrief process to delay the award. Therefore, Bidders should plan for contingencies and alternate representatives; Bidders who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest.

7. PROTEST PROCEDURE

This protest procedure is available to Consultants who submitted a response to this RFP document and who have participated in a debriefing conference. Upon completion of the debriefing conference, the Consultant is allowed five (5) business days to file a protest of the procurement with the RFP Coordinator. Protests may be submitted by fax or email, and must be followed by an original, signed document.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing and signed by the protesting party or an authorized Agent. The protest must state the grounds for the protest including specific facts and complete statements of the action(s) being protested. The protesting party may submit with the protest any

documents or information deemed relevant. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFP Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator/evaluation team;
- Errors in computing the score; and/or
- Non-compliance with procedures described in the procurement document or OSPI policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, 2) OSPI's assessment of its own and/or other agencies needs or requirements, or 3) a complaint raised during the Complaint Procedure.

Upon receipt of a protest, a protest review will be held by OSPI. The OSPI Contracts Administrator or an employee delegated by the Contracts Administrator who was not involved in the procurement will consider the record and all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified.

In the event a protest may affect the interest of another Consultant that submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold OSPI's action; or
- Find only technical or harmless errors in OSPI's procurement process and determine OSPI to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide OSPI options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the RFP document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If OSPI determines that the protest is without merit, OSPI will enter into a contract with the Apparent Successful Bidder. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

The Contractor further certifies that they will ensure that potential subcontractors or any of their principals are not debarred, suspended, or proposed for debarment from participation in covered transactions by any state department or agency.

10. Certification Regarding Lobbying. The Contractor certifies that Federal-appropriated funds will not be used to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress or an employee of a member of Congress in obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Contractor must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Contractor shall require its subcontractors to certify compliance with this provision.

11. Certification Regarding Wage Violations. The Contractor certifies that within three (3) years prior to the date of execution of this Contract, Contractor has not been determined by a final and binding citation and notice of assessment issued by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of RCW chapters 49.46, 49.48, or 49.52.

The Contractor further certifies that it will remain in compliance with these requirements during the term of this Contract. Contractor will immediately notify the Superintendent of any finding of a willful violation entered by the Washington Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction entered during the term of this Contract.

12. Change in Status. In the event of substantive change in the legal status, organizational structure, or fiscal reporting responsibility of the Contractor, Contractor agrees to notify the Superintendent of the change. Contractor shall provide notice as soon as practicable, but no later than thirty (30) days after such a change takes effect.

13. Confidentiality. The Contractor acknowledges that all of the data, material and information which originates from this Contract, and any student assessment data, material and information which will come into its possession in connection with performance under this Contract, consists of confidential data owned by the Superintendent or confidential personally identifiable data subject to the federal Family Educational Rights and Privacy Act or other privacy laws, and that disclosure to or use by third parties would be damaging. The

Contractor, therefore, agrees to hold all such material and information in strictest confidence, not to make use thereof other than for the performance of this Contract, to release it only to authorized employees and agents requiring such information and not release or disclose it to any other party. The Contractor agrees to release such information or material only to employees and agents who have signed a written agreement expressly prohibiting disclosure.

14. Copyright Provisions. Unless otherwise provided, all Materials produced under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and copyright shall be owned by the Superintendent. The Superintendent shall be considered the author of such Materials. If Materials are not considered "works for hire", Contractor hereby irrevocably assigns all right, title, and interest in Materials, including all intellectual property rights, to the Superintendent effective from the moment of creation of such Materials.

Materials means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Copyright ownership includes the right to patent, register and the ability to transfer these rights.

Contractor understands that, except where otherwise agreed to in writing or approved by the Superintendent or designee, all original works of authorship produced under this Contract shall carry a [Creative Commons Attribution License](#), version 4.0 or later.

All Materials the Contractor has adapted from others' existing openly licensed resources must be licensed with the least restrictive open license possible that is not in conflict with existing licenses.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, Contractor will license the materials to allow others to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. If the Contractor would like to limit these pre-existing portions of the work to [non-commercial use](#), the [Creative Commons Attribution-NonCommercial-ShareAlike](#) license, version 4.0 or later, is acceptable for these specific sections.

The Contractor warrants and represents that Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to apply such a license.

The Contractor shall exert all reasonable effort to advise the Superintendent, at the time of delivery of data furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Superintendent shall receive prompt written notice of each notice or claim of infringement received by the Contractor with respect to any data delivered under this Contract. The Superintendent shall have the right to modify or remove any restrictive markings placed upon the data by the Contractor.

15. Covenant Against Contingent Fees. The Contractor warrants that no person or selling agent has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agent maintained by the Contractor for the purpose of securing business. The Superintendent shall have the right, in the event of

breach of this clause by the Contractor, to annul this Contract without liability or, in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fees.

16. Disputes. In the event that a dispute arises under this Contract, it shall be determined by a Dispute Board in the following manner: (1) The Superintendent shall appoint a member to the Dispute Board; (2) the Contractor shall appoint a member to the Dispute Board; (3) the Superintendent and the Contractor shall jointly appoint a member to the Dispute Board; (4) the Dispute Board shall evaluate the dispute and make a determination of the dispute; and, the determination of the Dispute Board shall be final and binding on the parties hereto.

As alternatives to the above Dispute Board process: (1) if the dispute is between two or more state agencies, any one of the agencies may request intervention by the Governor, as provided by 43.17.330 RCW, in which event the Governor's process shall control; and, (2) if the dispute is between a non-state agency and another state agency or non-state agency party to this Contract, all the disputing parties may mutually agree to mediation prior to submitting the dispute to a Dispute Board in the event the dispute is not resolved pursuant to mediation within an agreed-upon time period.

17. Duplicate Payment. The Superintendent shall not pay the Contractor, if the Contractor has charged or will charge the state of Washington or any other party under any other contract or agreement, for the same services or expenses.

18. Entire Agreement. This Contract contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any of the parties hereto.

19. Ethical Conduct. Neither the Contractor nor any employee or agent of the Contractor shall participate in the performance of any duty or service in whole or part under this Contract in violation of, or in a manner that violates any provision of the Ethics in Public Service law at Chapter 42.52 RCW, RCW 42.17A.550, RCW 42.17A.555, and 41.06.250 prohibiting the use of public resources for political purposes.

20. Governing Law. This Contract shall be construed and interpreted in accordance with the laws of the State of Washington and the venue of any action brought hereunder shall be in Superior Court for Thurston County.

21. Indemnification. To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the Superintendent and all officials, agents, and employees of the Superintendent, from and against all claims for injuries or death arising out of or resulting from the performance of this Contract. "Claim" as used in this Contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Additionally, "claims" shall include but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or in unlawful restraint of competition. Contractor's obligation to indemnify, defend and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the Superintendent for any and all claims, costs, charges, penalties, demands, losses, liabilities, damages, judgments, or fines out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, or hold harmless the Superintendent shall not be eliminated or reduced by any actual or alleged concurrent negligence by Superintendent or its agents, employees, or officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless Superintendent and its agents, employees, or officials.

22. Independent Capacity of the Contractor. The parties intend that an independent Contractor relationship will be created by this Contract. The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the Superintendent. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the Superintendent or of the state of Washington by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

23. Insurance.

a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Contractor's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:

- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;
- 2) Purchase worker's compensation and occupational disease insurance benefits to employees in full compliance with all applicable laws, statutes, and regulations, but only to the extent such coverage is not provided under mandatory governmental program in "a" above, and/or;
- 3) Maintenance of a legally permitted and governmentally approved program of self-insurance for worker's compensation and occupational disease.

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the Superintendent, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and

occupational disease laws, statutes, and regulations and the Superintendent incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the Superintendent for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the Superintendent by the Contractor pursuant to the indemnity may be deducted from any payments owed by the Superintendent to the Contractor for the performance of this Contract.

- b. **Automobile Insurance.** In the event that services delivered pursuant to this Contract involve the use of vehicles, owned or operated by the Contractor, automobile liability insurance shall be required. The minimum limit for automobile liability is:

\$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

- c. **Business Automobile Insurance.** In the event that services performed under this Contract involve the use of vehicles or the transportation of clients, automobile liability insurance shall be required. If Contractor-owned personal vehicles are used, a Business Automobile policy covering a minimum Code 2 “owned autos only” must be secured. If the Contractor’s employees’ vehicles are used, the Contractor must also include under the Business Automobile policy Code 9, coverage for “non-owned autos.” The minimum limits for automobile liability is:

\$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

- d. **Public Liability Insurance.** The Contractor shall at all times during the term of this Contract, at its cost and expense, carry and maintain general public liability insurance, including contractual liability, against claims for bodily injury, personal injury, death, or property damage occurring or arising out of services provided under this Contract. This insurance shall cover such claims as may be caused by any act, omission, or negligence of the Contractor or its officers, agents, representatives, assigns or servants. The limits of liability insurance, which may be increased from time to time as deemed necessary by the Superintendent, with the approval of the Contractor (which shall not be unreasonably withheld), shall not be less than as follows:

Each Occurrence	\$1,000,000
General Aggregate Limits (other than products-completed operations)	\$2,000,000
Products-Completed Operations Limit	\$2,000,000
Personal and Advertising Injury Limit	\$1,000,000
Fire Damage Limit (any one fire)	\$50,000
Medical Expense Limit (any one person)	\$50,000

- e. **Additional Insured.** The State of Washington, Office of Superintendent of Public Instruction, shall be specifically named as an additional insured on all policies except for liability insurance on privately-owned vehicles, and all policies shall be primary to any other valid and collectible insurance. The Superintendent may waive this

requirement at its discretion. Policies and certificates of insurance shall include the contract reference number.

- f. **Proof of Insurance.** Certificates and or evidence satisfactory to the Superintendent confirming the existence, terms and conditions of all insurance required above shall be delivered to the Superintendent within five (5) days of the Contractor's receipt of Authorization to Proceed.
- g. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

24. Licensing and Accreditation Standards. The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

25. Limitation of Authority. Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this Contract is not effective or binding unless made in writing and signed by the Superintendent.

26. Non-Discrimination. The Contractor shall comply with all the federal and state non-discrimination laws, regulations and policies, which are otherwise applicable to the Superintendent. Accordingly, no person shall, on the ground of sex, race, creed, religion, color, national origin, marital status, families with children, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal, be unlawfully excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any activity performed by the Contractor and its agents under this Contract. The Contractor shall notify the Superintendent immediately of any allegations, claims, disputes, or challenges made against it under non-discrimination laws, regulations, or policies, or under the Americans with Disabilities Act. In the event of the Contractor's noncompliance or refusal to comply with this nondiscrimination provision, this Contract may be rescinded, cancelled or terminated in whole or part, and the Contractor may be declared ineligible for further contracts with the Superintendent.

27. Overpayments. Contractor shall refund to Superintendent the full amount of any overpayment under this Contract within thirty (30) calendar days of written notice. If

Contractor fails to make a prompt refund, Superintendent may charge Contractor one percent (1%) per month on the amount due until paid in full.

28. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported voucher for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract under Duties of the Superintendent, and (2) Acceptance and certification by the Superintendent or designee of satisfactory performance by the Contractor.

Except as otherwise provided in this Contract, (1) All approvable vouchers for payment due to the Contractor shall be paid within thirty (30) calendar days of their submission by the Contractor, and (2) All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

29. Public Disclosure. Contractor acknowledges that the Superintendent is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Contract shall be a public record as defined in RCW 42.56. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with chapter 42.56 RCW, the Superintendent shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.

30. Publicity. The Contractor agrees to submit to the Superintendent all advertising and publicity matters relating to this Contract which in the Superintendent's judgment, Superintendent's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Superintendent.

31. Registration with Department of Revenue. The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.

32. Records Maintenance. The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

33. Right of Inspection. The Contractor shall provide right of access to its facilities to the Superintendent or any of its officers at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract on behalf of the Superintendent. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.

34. Severability. The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

35. Site Security. While on Superintendent premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

36. Subcontracting. Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the Superintendent of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the Superintendent.

37. Taxes. All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

38. Termination for Convenience. Except as otherwise provided in this Contract, the Superintendent or Superintendent's Designee may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Contract in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Contractor as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Contractor. If this Contract is so terminated, the Superintendent shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.

39. Termination for Default. In the event the Superintendent determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, the Superintendent

has the right to suspend or terminate this Contract. The Superintendent shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Contract may be terminated. The Superintendent reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the Superintendent to terminate the Contract. In the event of termination, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the Superintendent provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

40. Termination Due to Funding Limitations. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, the Superintendent may, without advance notice and without liability for damages, terminate the Contract under the "Termination for Convenience" clause. The Superintendent and Contractor may, however, renegotiate this Contract under any such new funding limitations and conditions.

41. Termination Procedure. Upon termination of this Contract the Superintendent, in addition to other rights provided in this Contract, may require the Contractor to deliver to the Superintendent any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Superintendent shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by the Superintendent and the amount agreed upon by the Contractor and the Superintendent for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by the Superintendent, and (d) the protection and preservation of the property, unless the termination is for default, in which case the Superintendent shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The Superintendent may withhold from any amounts due to the Contractor such sum as the Superintendent determines to be necessary to protect the Superintendent against potential loss or liability.

The rights and remedies of the Superintendent provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.

After receipt of a notice of termination, and except as otherwise directed by the Superintendent, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified, in the notice;

- b. Place no further orders or subcontractors for materials, services or facilities except as may be necessary for completion of such portion of the work under the Contract that is not terminated;
- c. Assign to the Superintendent, in the manner, at the times, and to the extent directed by the Superintendent, all rights, title, and interest of the Contractor under the orders and subcontracts in which case the Superintendent has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Superintendent to the extent the Superintendent may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Superintendent and deliver, in the manner, at the times and to the extent as directed by the Superintendent, any property which, if the Contract had been completed, would have been required to be furnished to the Superintendent;
- f. Complete performance of such part of the work not terminated by the Superintendent; and
- g. Take such action as may be necessary, or as the Superintendent may direct, for the protection and preservation of the property related to this Contract which, in is in the possession of the Contractor and in which the Superintendent has or may acquire an interest.

42. Treatment of Assets. Except as otherwise provided for in the Contract, the ownership and title to all real property and all personal property purchased by the Contractor in the course of performing this Contract with moneys paid by the Superintendent shall vest in the Superintendent, except for supplies consumed in performing this Contract. The Contractor shall (1) maintain a current inventory of all the real and personal property; (2) label all the property "State of Washington, Superintendent of Public Instruction"; and, (3) surrender property and title to the Superintendent without charge prior to settlement upon completion, termination or cancellation of this Contract. Any property of the Superintendent furnished to the Contractor shall, unless otherwise provided herein, or approved by the Superintendent, be used only for the performance of the Contract.

The Contractor shall be responsible for any loss or damage to property of the Superintendent which results from the negligence of the Contractor which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management practices.

If any property is lost, destroyed, or damaged, the Contractor shall notify the Superintendent and take all reasonable steps to protect the property from further damage.

All reference to the Contractor under this clause shall include Contractor's employees, agents and subcontractors.

43. Waiver. A failure by either part to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver

of any other rights under this agreement. Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Agreement unless stated to be such in writing and signed by personnel authorized to bind each of the parties.
