COMPLAINT PROCEDURE

The complaint process is available to Bidders interested in this solicitation. The complaint process allows Bidders to focus on the solicitation requirements and evaluation process and raise issues with these processes early enough in the process to allow OSPI to correct a problem before proposals are submitted and time expended on evaluations.

A Bidder may submit a complaint based on any of the following:

- The solicitation unnecessarily restricts competition;
- The solicitation evaluation or scoring process is unfair or flawed; or
- The solicitation requirements are inadequate or insufficient to prepare a response.

Bidders may submit complaints up to five (5) business days prior to the proposal due date noted in the Estimated Schedule of Procurement Activities. However, Bidders are encouraged to submit complaints as soon as possible so OSPI can rectify the issue(s) early in the process. Complaints must be submitted to the Informal Solicitation Coordinator. In order to be considered a valid complaint, the complaint must meet the following requirements:

- Must be in writing.
- Should clearly articulate the basis for the complaint.
- Should include a proposed remedy.

Complaints not received by the deadline noted in the Estimated Schedule of Procurement Activities will not be reviewed by OSPI. Failure by the bidder to raise a complaint at this stage may waive its right for later consideration.

The OSPI Contracts Administrator or an employee delegated by the Contracts Administrator will review valid complaints and respond to the submitter in writing. OSPI will consider all complaints but is not required to adopt a complaint, in part or in full. OSPI's response to the complaint is final and not subject to administrative appeal. The response, and any changes to the Informal Solicitation will be posted to WEBS prior to the proposal due date. Any complaint addressed during the complaint process cannot be raised during the protest process.

DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Upon request, an individual debriefing conference will be scheduled with an unsuccessful Bidder. The request for a debriefing conference must be received by the Coordinator within three (3) business days after the Notification of Unsuccessful Bidder letter or e-mail is sent to the Bidder. The debriefing must be held within three (3) business days of the request, unless otherwise agreed upon by the Informal Solicitation Coordinator and Bidder.

Discussion will be limited to a critique of the requesting Bidder's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of 30 minutes.

PROTEST PROCEDURE

This protest procedure is available to Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completion of the debriefing conference, the Bidder is allowed five (5) business days to file a protest of the acquisition with the Informal Solicitation Coordinator. Protests may be submitted by fax or email, but should be followed by a hard copy document.

Bidders protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

All protests must be in writing and signed by the protesting party or an authorized Agent. The protest must state the grounds for the protest including specific facts and complete statements of the action(s) being protested. The protesting party may submit with the protest any documents or information deemed relevant. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the Informal Solicitation Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator/evaluation team;
- Errors in computing the score; and/or
- Non-compliance with procedures described in the procurement document or OSPI policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, 2) OSPI's assessment of its own and/or other agencies needs or requirements, or 3) a complaint raised during the Complaint Procedure.

Upon receipt of a protest, a protest review will be held by OSPI. OSPI's Contracts Administrator or an employee delegated by the Contracts Administrator who was not involved in the procurement will consider the record and all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified.

In the event a protest may affect the interest of another Bidder that submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the Informal Solicitation Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold OSPI's action; or
- Find only technical or harmless errors in OSPI's acquisition process and determine OSPI to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide OSPI options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If OSPI determines that the protest is without merit, OSPI will enter into a contract with the Apparent Successful Bidder. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.
